Directions: From Bend (Costco area). Take Hwy 20 East approximately 7 miles. Turn left on Dodds Rd. Just before mile marker 2 there will be a sign for Rhinestone Ranch. Turn right onto the gravel road/driveway marked Williamson Ranch Rd. Turn right just before the hay barn (first driveway on the right) and keep left at the island. Follow the driveway back past the cattle barn to the barns and park near the horse trailers. Staff will be waiting near the small four stall barn. Please please please drive slowly on the gravel road/driveway. There are lots of beloved animals and children, and we want to respect our neighbors with the traffic and the dust.

First day arrival: Once you arrive at camp, please check your child in with a staff member. If you have not already turned in your paperwork or payment, please do that at check in time. Help

your campers find a cubby to place their items. At this time you are welcome to notify staff you are leaving or you can stay for the Monday morning meeting with the campers.

Friday horse show performance: Every week, campers work to prepare for a performance held for friends and family to come see what they have accomplished with their horses.

Performances will start on Friday between 11 and 11:15 am. Please remind friends and family attending to drive slowly on the gravel road/driveway and directions to enter/where to park.

Once our audience has arrived campers will perform in our outdoor arena. If you arrive a little late once you park, follow the dirt road past the barns to the outdoor arena. Please let us know if you need assistance. After the performance, campers are welcome to help untack and groom their horses or they are excused to go home. Please make sure to collect all of their belongings and return anything borrowed before taking off.
